NIGEL ELDER PGA GOLF PROFESSIONAL

My name is Nigel Elder and I am a PGA Golf Professional with over 25 years of Golf Coaching experience. I am also a Trackman Level 2 Coaching Professional. I am originally from Cape Town, South Africa. I speak English, German and Spanish.

I would like to invite you all to spend a week with me, training and playing Golf in Oliva Nova, Spain.

We will be playing Oliva Nova and El Saler, one of the best course in Spain. In the morning before each round we will have time to train on the Driving Range and Short Game area, so that you can benefit from my Coaching ideas and experience. I will be playing 18 holes with you afternoon, so that we can put into practice what we talked about during our morning training sessions.

In the evening I will accompany you to some of my favourite Restaurants and Tapas bars so that you can enjoy the Spanish cuisine, with a nice glass of wine, and we can chat about your experiences on the golf course.

We have 1 day free where you can choose between a trip to Valencia, a paella on the beach or a trip into the mountains. You can also choose just to relax and have a walk on the beach. My goal is to create a week for you, of Golf and Training, combined with the Spanish Feel. An Experience that you will never forget.

OLIVA NOVA GOLF

Designed by Severiano Ballesteros in 1995, it covers around 50 hectares with wide sprawling fairways, smooth greens with gentle undulations and water hazards to determine the strategy of the game.

It is a long course (6312m, slope 129) but fairly flat and a pleasure to walk. Teeing off is comfortable on most of the holes, but the strokes close to the greens require a bit more ability and cunning. The presence of the sea albeit invisible from the course is evident in the breeze, which determines the choice of club and the strategy for each hole.

Ten artificial lakes reflect the beauty of the palm trees and the sky, and play host to activity from numerous species of fish and birds. The perfect complement to the exquisitely maintained and cared course and its surrounding park area.

EL SALER GOLF

The Parador de El Saler golf course is considered by professionals and enthusiasts, institutions and specialised press as one of the best golf courses in the world. Built in 1968 by Javier Arana, a great Spanish golf architect with international acclaim, it is located in the El Saler Natural Park, on the shore of the Mediterranean Sea, in the Autonomous Community of Valencia; it is at the fore-front of economic development in Spain and it is an element of pride for this region.

Its design takes into account for its integration in the protected landscape (non-native species such as the famous "Cat's Claw"), and its course runs through differentiated zones, from beach links, similar to the famous Scottish golf courses, to areas with typical Mediterranean forest. Its total length is 6,042 m, split into 18 holes, with a par of 72. The club also has a golf school, practice ground, 3 putting greens, 2 approach greens, a pro-shop, club hire, electric trolleys and carts and a snack-bar and restaurant.

It can be said they the Parador de El Saler Golf Course (Valencia) is considered as one of the top 60 courses in the world and within the top 3 in Europe, and this is testament to the professional players and enthusiasts, as well as the specialised institutions and press.
